Discovery Youth Foundation was founded by passionate parents and lovers of young people who have a genuine desire to guide teenagers through a critical time of their lives. We simply want to give teenagers the best opportunity to succeed. In a Christian environment, we motivate students to DISCOVER and DEVELOP their God-Given talents, igniting a passion for achievement and self improvement. We offer a five week eye-opening Summer Enrichment Program and year-round mentorship. Our program introduces students to exciting careers, entrepreneurship, community involvement, and life management skills.
